Read the text and write down the parts of speech accordingly in the tablet below:

Jessica was very happy to meet her boyfriend. They saw each other so unexpectedly at the art exhibition. She was curiously looking at vivid pictures of famous artists when a handsome man approached from behind. He gently touched her arm and silently asked what she thought about the stunning masterpiece in front of them. They were surprisingly amazed to discover they shared the same taste in art. Good relationships always begin with common interests. The new couple could talk about painting for hours and hours.
