Dear Iddo,

Hi, how are you? I hope you are enjoying the summer vacation in Israel as much as I am here, in the USA. Are you doing anything interesting or are you just staying at home playing computer games? I know you don't like to go to the beach, but I think you will enjoy the new swimming pool.

We arrived at New York last Friday and stayed there for three days. Our hotel is very big, and our room is on the 56th floor!\* There are so many tall buildings in New York. We visited many interesting places, such as the Statue of Liberty and Central Park.

Then we rented\*\* a car and traveled to Florida. I spent all of yesterday and the day before yesterday in Disneyland! It's the most fun place in the world. I wish we could stay here forever. I want to go to Disneyland every day. I asked my parents if we could stay in Orlando for another week, but they said no.

So now we're on a plane from Orlando to Los Angeles. We will spend a week in LA, and then another week in Las Vegas. Then we'll go back to Israel.

I wish\*\*\* you could be here with me. I really miss you and Noa. Tell her I said hi.
